the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Act 1983, 1990).

There is a growing awareness of the need to address the needs of people with mental health problems. The Department of Health (1999) has set out a vision for the future of mental health services, which includes a focus on prevention, early intervention and recovery.

The aim of this paper is to explore the experiences of people with mental health problems who have been involved in the development of a new mental health service.

The paper is structured as follows. First, a brief overview of the current state of mental health services is provided. Then, the experiences of people with mental health problems who have been involved in the development of a new mental health service are explored.

The paper concludes with a discussion of the implications of the findings for the development of new mental health services.

Background

The number of people with a mental health problem in the UK has increased by 50% since the 1990s (Mental Health Act 1983, 1990). This increase has been attributed to a number of factors, including:

- an increase in the number of people with a mental health problem who are not in contact with mental health services;
- an increase in the number of people with a mental health problem who are in contact with mental health services but are not receiving the services they need;
- an increase in the number of people with a mental health problem who are in contact with mental health services but are not receiving the services they need.

The Department of Health (1999) has set out a vision for the future of mental health services, which includes a focus on prevention, early intervention and recovery.

The aim of this paper is to explore the experiences of people with mental health problems who have been involved in the development of a new mental health service.

The paper concludes with a discussion of the implications of the findings for the development of new mental health services.

Methods

The data for this study were collected from a series of focus group discussions with people with mental health problems who had been involved in the development of a new mental health service.

The focus group discussions were conducted by a researcher who had experience of conducting focus group discussions and who had not been involved in the development of the new mental health service.

The focus group discussions were audio taped and lasted approximately 45 minutes. The topics discussed included the experiences of people with mental health problems who had been involved in the development of the new mental health service.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 1999). The number of people aged 85 and over has increased by 0.5 million.

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the health and social care of older people. The strategy is based on the following principles:

- Older people should be able to live independently in their own homes for as long as possible.
- Older people should be able to access the services and support they need to live well.
- Older people should be able to participate in the decisions that affect their lives.
- Older people should be able to live in a safe and secure environment.

The strategy also sets out a number of key objectives, including:

- To improve the health and social care of older people.
- To ensure that older people have access to the services and support they need to live well.
- To ensure that older people are able to participate in the decisions that affect their lives.
- To ensure that older people live in a safe and secure environment.

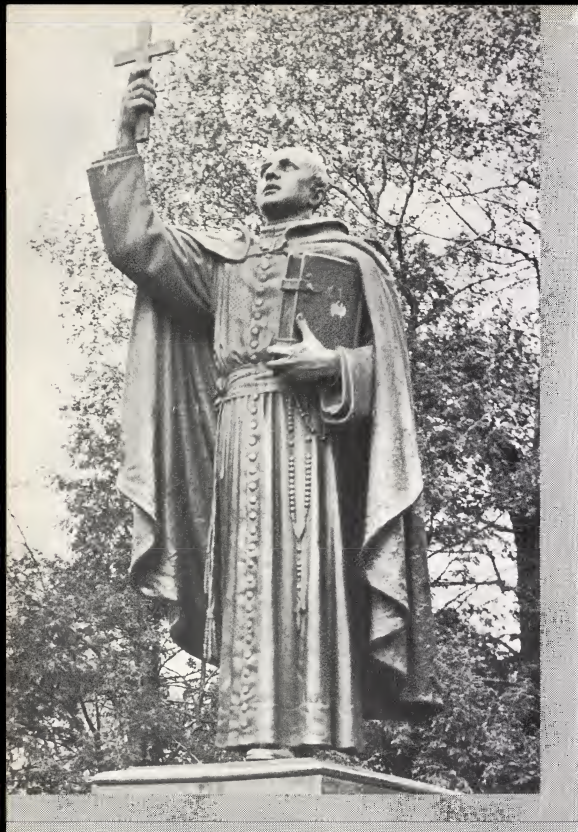

The strategy is a key document in the development of policy for older people in the UK. It sets out the government's commitment to improve the health and social care of older people, and provides a framework for the development of services and support for older people.

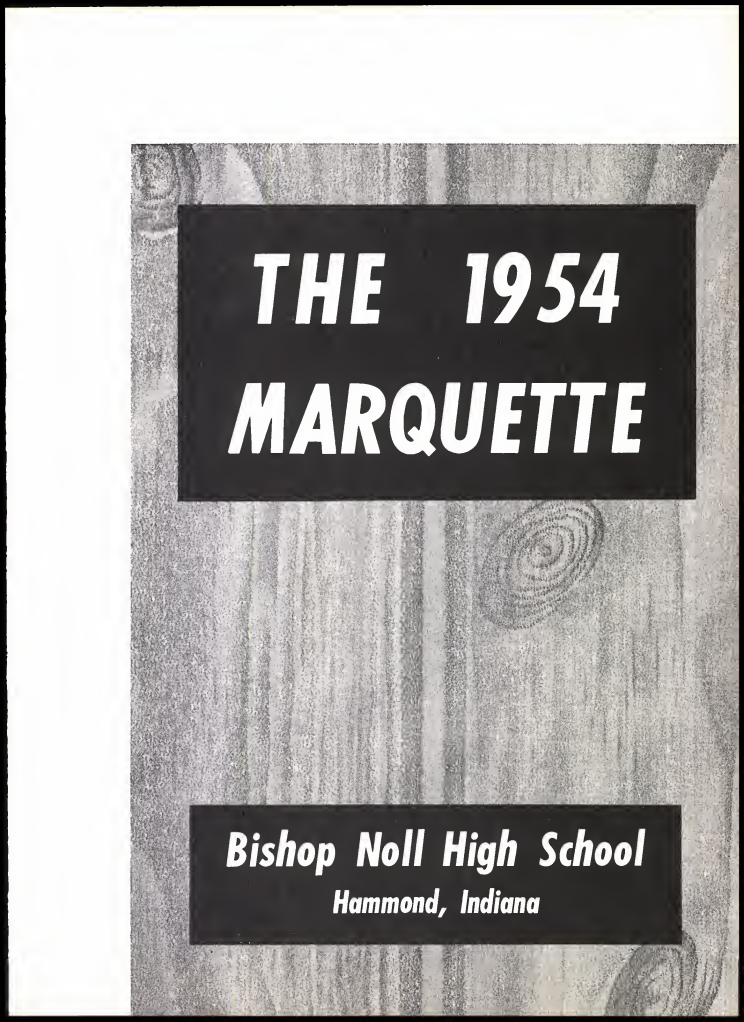

The strategy is based on the following principles:

THIS IS OUR STORY

This is OUR STORY, the story of an American high school. And because it is the story of an American high school, the casual observer may tend to consider the narrative merely as the repetition of an oft-repeated theme.

Such an attitude, however, would be a mistaken one, for it is OUR STORY — the story of our hopes and our dreams, our defeats and our disappointments — indeed, the story of our very lives. From the founders and first graduating class of Noll High

School to those students yet unknown who will one day sit at these very desks, it is OUR STORY. The founders have begun the story; we have added this most recent chapter; those of the future will read it, profit by it, and write their own story.

Each and everyone of us who is part and parcel of life here at Noll High will leave his mark, not only here in the school, but also in the world and in eternity, for we

As these pages unfold, the **personae dramatis** will move through the memories of the 1953-54 scholastic year and will dramatize OUR STORY.

BISHOP NOLL

HIGH SCHOOL

Every good thing has a humble beginning, and Bishop Noll High School, the main topic of OUR STORY is no exception. It began in 1921 in the temporary quarters of two class rooms at St. Mary's grade school in East Chicago. In 1922 the school moved to the present campus and into the famous "barracks" a five-room building covered with tar paper. In 1923 a building program was begun which has resulted in the present buildings on the campus. Bishop Noll High School began with a total enrollment of 40 students in 1921, and has grown to the present enrollment of 1341 students. With such modest beginnings and with such leaps and bounds, our school has continued to the present day.

The original faculty members of Catholic Central High School, as it was then called, were the Poor Handmaid Sisters of Jesus Christ, whose Motherhouse is located at Donaldson, Indiana. Today Noll High is staffed by seven priests, twenty-two Sisters of the Holy Cross, and ten lay men and women.

Rev. P. J. Schmid was appointed Director of the school in 1923. Fr. Schmid is now acting as chaplain at St. Margaret's Hospital, Hammond. In 1934 he was succeeded by Father Conway, present pastor of St. Mary of the Lake, Miller. The present Principal, Rev. A. J. Junk, made his first appearance at Noll High as teacher and athletic director in 1933. In 1939 he began his career as Principal and has been serving the cause of Christian education during the twenty years of his priesthood.

The subjects taught at Noll High are based on Catholic principles and are presented from a Catholic point of view. They are imparted with an eye towards the future life and needs of each one of the students. The school sponsors a complete athletic program and a wide variety of activities of an extra-curricular nature.

Upon matriculation at Noll High, prospective students are given a battery of tests, the results of which prove helpful in determining the choice of a curriculum and in placing the student in classes which will satisfy his needs and talents. Noll High offers to its students four curriculas: the Classical, the Commercial, the Scientific, and the General.

Bishop Noll High School has thus vastly expanded and improved since its inauspicious launching in the early "Roaring Twenties." However, those modest beginnings were the necessary nucleus out of which has grown and developed the present institution.

THE GROTTA

The grotto, built by former students, is a hallowed spot, dear to the heart of every loyal Nollite. The entire student body joins annually in special devotions to Our Lady in October and in May. It is traditional for the football team to visit the grotto before and after every home game. Before, during, and after every school day many students visit the Mother of Christ at the grotto to praise her, to tell her their troubles, and to obtain her powerful intercession.

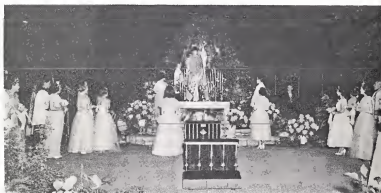

Benediction of the Blessed Sacrament is given after the October Rosory.

The grotto of Our Lady is bright at night.

Students assemble for the rosory in October.

Our Lady is crowned Queen at the annual May Devotions.

During the lunch period students often visit at St. Margaret Mary's Shrine in the church.

CHURCH OF SAINT MARGARET MARY

St. Margaret Mary Parish was organized in 1947 by the Rev. E. H. Klein, a former teacher at Noll High. At first a converted classroom was used for Mass, but in 1950 ground was broken for a new church. The church, Norman French Gothic in style, was ready for occupancy in 1952. Each morning Mass is offered at an hour which enables students to attend Mass and receive Holy Communion in this beautiful Church of St. Margaret Mary. Visits to the church during lunch period and after school also are a source of spiritual help for Noll High students.

The main altar of St. Margaret Mary's Church.

Rev. E. H. Klein, former teacher at Bishop Noll High School, is the founder and pastor of St. Margaret's Parish located on the school campus.

Students attend daily Mass at St. Margaret Mary's Church.

FACULTY

THIS IS OUR STORY . . .

To the Faculty of Bishop Noll High School we owe a great debt of gratitude. These priests, sisters, and lay people who give their time and talents so willingly and so fully to educate us are the individuals who make Noll High what it is.

They have shown us the wealth and beauty of learning and have prepared us for battles with the adversaries of life by furnishing us with the armor of truth, our Christian Faith.

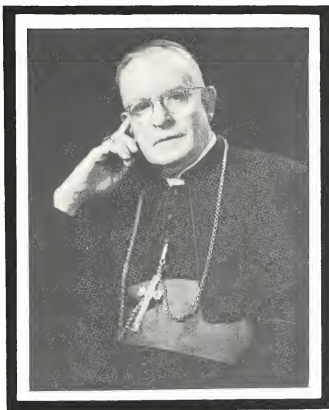

Noll High offers its students various types of curricula in its plan of education. These curricula satisfy the needs of several goals and professions. Besides supplying the requirements of the state of Indiana for high school graduation, Noll High School is prepared to teach the courses necessary and useful for entrance into the various fields of college and university work.

For students wishing to enter the fields of law, medicine, nursing, teaching, the priesthood, and similarly related fields, the Classical Curriculum is recommended. Those wishing to be engineers, mechanics, mathematicians, or scientists will find the Scientific Curriculum well suited to their needs.

The Commercial Curriculum, which offers typing, shorthand, bookkeeping, secretarial training, and related subjects, prepares the individual for stenographic, secretarial, and clerical positions. The General Curriculum is designed for the student who plans to terminate his formal education with high school. This curriculum will prepare him for a Christian democratic way of life.

The guiding hand which we, today's youths and tomorrow's citizens, need, is found in this chapter without which OUR STORY would be incomplete. May God grant that OUR STORY in the future will be a creditable reflection of the Christian principles our Faculty has imparted to us.

FATHERS' CLUB

One of the main supporters of Noll High's athletic program is the Fathers' Club. This group of fathers of students, alumni, and other men interested in Catholic education and in Noll High takes an active part in many school functions.

Before school began last fall the Fathers' Club sponsored an intersquad exhibition football game of the Chicago Bears. The Club was also instrumental in building the permanent ticket booths on the football field.

During the scholastic year the Fathers' Club provided most of the transportation for the Warriors when they played away from home. At home games members of the Club acted as ticket-takers and ushers at the Civic Center and on the gridiron.

The Fathers' Club organized the Blue and Gold Club, which is an organization devoted to Catholic educational activities. They held a smoker in the fall and spring for their own members and, finally, together with the Mothers' Club, presented Noll High's athletes with the annual Athletic Banquet.

MOTHERS' CLUB

The Bishop Noll Mothers' Club, led by Mrs. Bernard F. Taillon as president, is composed of mothers of past and present students and other women interested in Bishop Noll High School. Their object is the promotion of a better understanding of the work of the school in Lake County.

Each year the Mothers' Club holds a Spring Luncheon for all members. The Junior mothers also serve breakfast for the graduates and their parents after the Baccalaureate Mass.

Last October the Mothers' Club presented a fashion show and card party at which were featured fashions from two leading stores of Hammond. In November the combined Mothers' and Fathers' Clubs arranged a reception for Fr. Junk on the occasion of his twentieth anniversary of service with the school. In January they entertained the Sisters of the Faculty with a shower. The annual bazaar and Athletic Banquet are also projects in which the organization takes an active part.

SENIORS

THIS IS OUR STORY . . .

OUR STORY began four years ago when, as timorous and reticent frosh, we, the graduates of '54, set out on the well-worn path of high school life. That first year saw the beginning of the Dramatic Club under the direction of a new faculty member, Miss Salton. The many hours we spent in the careful study of dramatics and the stage were the first taste of the extra-curricular program we enjoyed.

In our sophomore year we came to experience the pleasant hours of social activities in such events as the Homecoming dance and the Winter Formal. We were no longer the youngest in school, and we found our class well represented in the school clubs.

Junior year brought with it the dignified distinction of "upperclassmen." This year brought one addition after another to OUR STORY: first, our own choral group directed by Sister Mary Edith, C.S.C.; then a church dedicated to St. Margaret Mary on our own campus; the formation of the S.D.S. by our own junior girls.

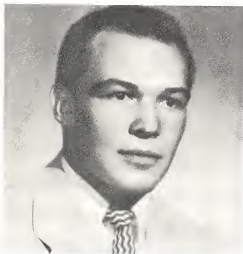

Senior year! The first of these pages was a tale of sorrow, for in November we heard of the tragic death of an alumnus, Walter Homan, whom many of us had known in our junior year. Later, in December, came news of another classmate whom God had called, Gerald Bolch. In a happier vein, our operetta, "Amahl and the Night Visitors", was presented in December along with a program of Christmas carols. The year moved so fast, and soon the thrill of graduation was upon us — our senior pictures; then the yearbook sketches; finally, in a rush of excitement and the thrill of a job well done, graduation. This, then, is OUR STORY.

SENIORS ELECT CLASS OFFICERS

Early in the scholastic year the election of class officers is held in every home room. Each Freshman, Sophomore, and Junior home room elects four officers: president, vice-president, secretary, and treasurer. These officers act as the leaders of their respective home rooms.

The Senior Class deviates slightly from the general procedure followed by the other three classes. In place of a president in each home room, the Seniors elect one representative who acts as president of the entire class. He has, as his assistants, a vice-president, secretary, and treasurer in each Senior home room.

SENIORS ELECT ROBAK

This year the Senior Class chose Ray Robak as Class President. Ray is a member of St. Casimir's Parish, Hammond, and attended St. Casimir's grade school before coming to Noll High. Here his pleasing personality and football prowess soon gained for him wide popularity. This year Ray was also co-captain of the football team. Ray plans to continue his education in the fall at Wabash College.

Senior Officers

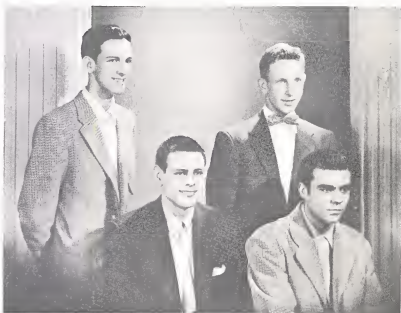

Vice-Presidents of the Senior Home Rooms are Glorio Canwoy, Senior 1; John King, Senior 2; Bernie Wontorek, Senior 3; Roy Knight, Senior 4; Robert Stupeck, Senior 5; and Nada Stilianovich, Senior 6.

Senior Officers

Evelyn Gesmond, Leone Zbikowski, Mary Esther Matthews, and Mary Mulflur were elected as the Secretaries of their respective Senior Home Rooms.

Senior Officers

Treasurers of Senior Home Rooms are Jule Bell, Tom Gozdecki, Dave Mayer, and Dick Laskody.

CO-VALEDICTORIANS OF '54 NAMED

J. CENGEL AND V. MAKOWSKI
TIE FOR TOP AWARDS

Customarily the honors of Valedictorian and Salutatorian go to the senior boy and girl who rank highest scholastically in their class. This year, however, a very unusual coincident occurred. Each of the two top ranking seniors of the 1954 Graduating Class earned exactly the same number of honor points and merited

for themselves the outstanding honors of Co-Valedictorians. John Cengel and Vivian Makowski ranked highest scholastically among the Class of '54 and are the Class Co-Valedictorians. These are the highest scholastic awards that can be conferred on any student.

VIVIAN MAKOWSKI is a friendly girl who not only gained recognition in her classes through her keen intelligence, but also found many lasting friends at school through her pleasant personality. She is from St. Stanislaus Parish in East Chicago, where she also attended grade school. Her outstanding scholastic record during her four years at Nall High has won for her the title of Co-Valedictorian of the Class of '54. In the fall Miss Makowski plans to continue her formal education, and she will matriculate at St. Francis College, Joliet, Illinois.

JOHN CENGEL is a member of St. John the Baptist Parish in Whiting. After achieving success at that grade school, he came to Nall High on a scholarship and continued his climb to the top of the intellectual ladder to be named one of the Co-Valedictorians of his class. His quiet, unassuming nature and outstanding character have gained for him many friends among both students and Faculty. His interest and application in the classroom, as well as in all his other activities, are indications of great success in later life. Mr. Cengel's plans for the immediate future include a college education with pharmacy as his major.

Honor Students

National History Contest

The month of October brought a round of various activities to the students this year. Among them was the all-school History Contest sponsored by the Chicago Herald American. After spending a few days of brushing up on their knowledge of American History, seven Seniors had a chance to display their talents by participating in the preliminary examination here at Noll High. This was to determine who would represent the school in the finals. By the unanimous vote of the History teachers, Leone Zbikowski was chosen to be Bishop Noll's representative on December 1st. Leone competed in the final exam held at Washburn Trade School, Chicago. She faced tough competition from 150 schools in and around Chicago-land. Bishop Noll High School is justly proud of Leone Zbikowski for she represented the school in the annual contest.

Leone Zbikowski represented Noll High at the National History Contest in Chicago.

JUNIOR-SENIOR PROM HELD MAY 21

Couples arrive for the Prom.
Last-minute adjustments are made.

A section of the Grand March.
Sociability between dances.

One of the traditional and most thrilling social events of the year and of high school experience is the Junior-Senior Promenade. Dates are made weeks and months in advance, and a great deal of secrecy pervades the atmosphere as the Juniors plan the biggest dance of the year as a parting tribute to the Seniors. The long anticipated evening became a

reality on May 21 when, after much planning and hard work, the high school gym assumed the proportions of a beautiful ballroom. The girls, lovely in their pastel gowns and corsages, and the fellows in their formal attire completed the scene. It was a grand evening and will long be remembered by all promenaders.

BACCALAUREATE MASS JUNE 3

Graduating Class receives Holy Communion at Baccalaureate Mass at St. Joseph's, Hammand.

Fr. Junk (above) was celebrant. Frs. Traub and Zimmerman were Deacon and Sub-deacon. Fr. Hildebrandt, Dean of the Hammand Deanery, is also pictured.

The Baccalaureate choir (right) consisted of Noll's male chorus under the direction of Fr. Melevage, and St. Mark's boys' choir directed by Fr. Daniel Peil.

Formal ceremonies of the 1954 Graduation began June 3 with the Baccalaureate Salem High Mass at St. Joseph's Church, Hammand. Priests of the Faculty served as the ministers of the Mass and Noll's male choir, supplemented by the boys' choir of St. Mark's Parish, Gary, sang the Mass. In the sermon the Seniors were again reminded that it is their personal responsibility to live the Catholic principles they have learned while attending Bishop Noll High School and that they will be the examples of Catholic education.

It was an impressive sight to view the Seniors, attired in academic cap and gown, kneel side by side to receive Holy Communion as they prepared to leave high school. Breakfast was served to them and their parents by the Junior mothers at the school gym after the Mass.

COMMENCEMENT EXERCISES JUNE 6

The graduates receive their diplomas (above) . . . The Commencement speaker (left) reviews the responsibility of today's Catholic graduate . . . Fr. Junk (right) bids farewell to the Class of '54.

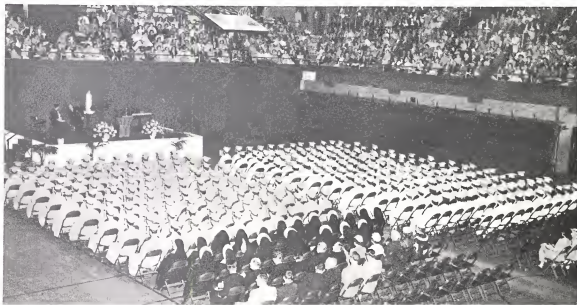

Annual Commencement Exercises of Bishop Noll High school were held Sunday evening, June 6, at the Hammand Civic Center. Parents, relatives, and friends watched intently from the galleries as the Seniors, in academic dress, and the Faculty slowly filed into the auditorium to the familiar strains of **Pomp and Circumstance**.

The program included the Valedictory and Salutatory addresses delivered by the boy and

girl who ranked highest scholastically in the class. After the Commencement address by the guest speaker, the Rev. A. J. Junk, Principal, made the various awards, granted scholarships which were merited by certain individuals, and finally conferred high school diplomas on all the Seniors who then formally became the 1954 Graduates and Alumni of Bishop Noll High School.

Scene is set for 1954 Commencement Exercises and the Seniors are about to become Alumni.

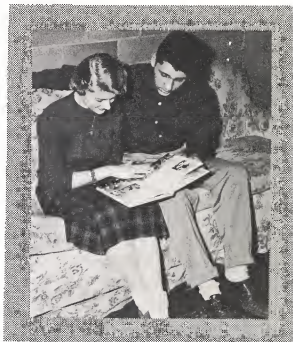

UNDERCLASSMEN

THIS IS OUR STORY . . .

OUR STORY would not be complete and true if it created the impression that all depended upon and centered around the departing seniors. The majority of the students, next year's leaders and the next year's followers, also find their places in OUR STORY.

This has been the first year for many students, an introduction to the gay, free years of high school life. No doubt they found the life strange and intricate in the beginning. But as the year progressed, they fitted themselves into the pattern of high school days and found a new "sense of belonging" that will last until they themselves are the queens and kings of Noll High.

To other students this year has brought the first experience of responsibility and leadership. Such students have learned what can be accomplished through cooperation and have developed a desire to lead others to that discovery. They have learned of the enjoyment that can be theirs by participation in the school's many social and athletic activities. New classes and new subjects have opened wider fields for their investigation and talents. New friends and new interests have cast their impressions in the minds and lives of the Catholic youth of Noll High — impressions never to be lost.

These students, the juniors, sophomores, and freshmen, look ahead to their own senior year and it seems like such a distant reality. Their spirit and energy, however, will carry them through to that final goal in the course of time so that all of them will finally stand as seniors and will add their own chapters to OUR STORY.

ACTIVITIES

THIS IS OUR STORY . . .

Noll High students believe in the adage, "All work and no play makes Johnny a dull boy." Living proof of this is offered in the form of clubs, societies, dances, and parties.

The Nollite can find any number of ways, profitable both to himself and to the school, to expand his talents and satisfy his interests. Indeed, all sorts of talents are represented in Noll's Activity program.

The school's governing body calls out the born politician and intrigues him with elections and offices. Students find a scholastic uplift in the various honorary societies which encourage further study in various fields. Writers and would-be writers find ample opportunity to try their hand at journalism in many sources. The part-time artists find a haven in school publicity. The future actor has no difficulty in finding his way into the world of dramatics.

For those who wish to serve their Creator and their fellowmen more abundantly, there are mission groups and other groups which foster the true Catholic spirit of Christian charity and service.

Noll fans find an outlet for their enthusiasm both in work and in cheering. There are many ways in which one can back the team, for the loyal fan in the stands participates in the game in a very real sense.

Some of the most memorable hours of school life are to be found in the activities and projects of these clubs, in planning and in executing ideas — ideas that range from profound discussions to light-hearted dancing.

We proudly present the highlights of OUR STORY. We hope that the memories of our success will encourage future Nollites to undertake similar projects which lead to such wonderful and profitable times and experiences.

STUDENT COUNCIL

Fr. Junk, Sponsor, explains the intricacies of the public address system to Mary Catherine Blake and Pete Cergizan, President and Vice-President of the Student Council. Mary Catherine and Pete lead the student body in the daily *Angelus* and make the daily announcements over the P.A.

Sponsored by Father Junk, Principal, the Student Council forms the student body's government here at Noll. This organization promotes a more unified feeling between the students and the faculty. All suggestions of the student body are brought before the Student Council for consideration and action.

This year, the Student Council, together with the monitors, initiated a locker inspection in a drive to have all lockers locked at all times.

Another project of the Student Council was the aid given in the cafeteria to relieve the congestion and help maintain proper order and neatness.

The annual winter formal, "December Dream" was held in Noll's gym, on the 29th of December. Mary Kay Blake and Peter Cergizan, Student Council's president and vice-president, were co-chairmen of the gala affair.

The Marynoll Chapter of the National Honor Society was established at Noll High School in 1948. The purpose of the Society is to promote scholarship, leadership, character, and service. Membership in the society is elective and is based on these four qualities.

Each year the Honor Society awards to a freshman a cumulative scholarship based on the results of a competitive examination. The Society sponsors two dances to finance this scholarship. Another aim of the Society is that proper parliamentary procedure be followed in all class meetings and elections. An open meeting was held in November for the entire student body to provide this instruction as well as to induct the new members of the Society.

The Monitor System is also under the sponsorship of the National Honor Society. In conjunction with the Student Council, the Society

inaugurated daily and hourly inspection of student lockers to see that they were locked at all times. Offenders were always penalized. Regular monthly meetings of the Monitors have helped to check disorders and make necessary adjustments.

C. S. M. C.

Sister M. Ivan, C.S.M.C. sponsor, addresses the student body during the October mission meeting at which the entire school joined in reciting the rosary before the grotto. Other officers pictured are, left to right: Virginia Cieslak, president; Joan Skawinski, secretary; Pat Feeney, treasurer, and John Buchalo, Student Council representative.

Sparked by Sister M. Ivan, the Catholic Students Mission Crusade, our mission organization, builds its projects around prayer, almsgiving, and study. The objective of the society is to promote interest in, and aid for, the home and foreign missions.

Besides the regular weekly mission contributions and annual drives, two special drives were conducted this year. One was for Father Tom Zimmerman, a Noll alumnus presently

assigned to missionary work in Pakistan; the other was for the building fund for the National Shrine of the Immaculate Conception at Washington, D.C. In this latter drive Noll High students attained first place among all diocesan high schools.

The C.S.M.C. also sponsors Study Clubs which run for a period of twelve weeks in each semester and which study specific mission areas, their work, and their needs.

The S.D.S., an up and coming organization, is in its second year at Noll High. It was begun in 1952 by a group of girls who felt a need for stressing the importance of modesty in dress for the young Catholic girl.

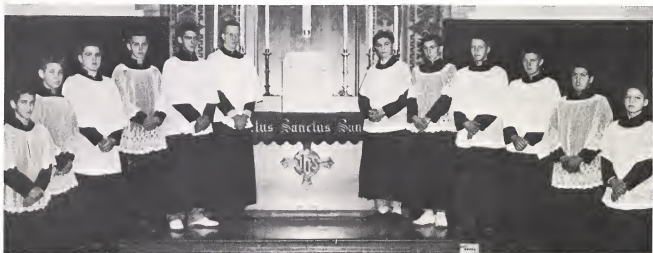

The S.D.S. (Supply the Demand for the

Supply) puts on two programs during the school year: one in the fall and again in the spring. These programs consist of discussions on the various phases of the virtue of modesty and a style show in which the students model modest and attractive clothes.

KNIGHTS OF THE ALTAR

For many years the boys of Noll have acted as servers for the daily 7:45 Mass. This year these boys, under the leadership of Dan O'Keefe, organized themselves into a club and called themselves the Knights of the Altar.

They serve Mass each day for Father Klein in St. Margaret Mary's Church. They also serve at the annual October Devotions and May Crowning held at the Grotto.

JUNIOR RED CROSS

President Monica Hamolla, vice-president Tim Galvin, treasurer Joe Gartner, and secretary Claire Sofianos supervise the packing of Red Cross boxes for shipment to students overseas.

The Junior Red Cross of Noll High has become one of the outstanding Councils of the Hammond Chapter. The Council is under the direction of Sister M. Andrew.

Each year the Red Cross sponsors one of the school dances and an annual drive to finance gift boxes for needy children in foreign lands. Last fall they shipped overseas over one hundred gift boxes filled with toys and school necessities. At Christmas time they prepared favors and Christmas candies to decorate the trees of the patients at St. Anne's Home, and this undoubtedly brought a little cheer and happiness into the life and hearts of these people.

One of the few clubs at Noll comprised of students who act on their own initiative is the Prop and Publicity. Under the leadership of Millie Babyak, president, this group furnished posters for games and school activities. This year, much publicity for the operetta was due to the efforts of the Prop and Publicity. Also, the C.S.M.C. used much of their artistic talent and work in the Mission drive.

Officers of the Prop & Pub prepare publicity material for the annual operetta, "Amahl and the Night Visitors." They are Millie Babyak, president; Manica Slamka, vice-president; and Glaria Tatarak, secretary-treasurer.

DRAMATICS CLUB

The Dramatics Club, under the direction of Miss Joon Salon, presented at their annual play Moss Hort's and George Kaufman's **YOU CAN'T TAKE IT WITH YOU** at the Whiting Community Center near the end of March. This 1937 Pulitzer Prize winner is a zany comedy about the Sycamore family who go about their clowning, work, hobbies, joys, and worries without the least inhibi-

tions. After a night in jail, the family quiets down for a minute — but only for a minute. A touch of romance is also thrown in for good measure. Though a hilarious lot, the Sycamore family indeed seems far more sane during the play than many of us who go about our doily tasks with our personal foibles and struggle after the almighty dollar.

The Booster Club shows more high spirit and zeal than any other group on campus. Led by Miss Herod, and aided by the Cheerleaders, the Booster Club inspires real spirit for the home football and basketball games. Though membership is limited to seniors, it would not be fair to the underclassmen to deny their aid in the cheering sections of our games.

The Booster Club helps plan pep sessions for the school. It aids the Cheerleaders in the homecoming program, selling mums, decorating cors, preparing the bonfire, skits and refreshments for the homecoming celebrations. Its main project, perhaps, each year, is the pre-sectional pep session, which is always looded with spirit.

The Journalism Club, under the direction of Sister M. Victorine, is a group of Junior girls who wish to develop and exploit an interest in writing. The main project annually of this group is the publication of the "Senior Sketches." The work on this book is begun early in the school year, for a great deal of time and effort is required to interview each Senior and then organize and compile the material for publication. Most of the members attended the Notional Catholic Press Conference in Milwaukee at the end of October at which they received many pointers which proved helpful in the preparation of the "Senior Sketches."

MARQUETTE STAFF

OUR STORY, the 1954 Marquette, was begun last June, when the co-editors, Pete Cergizan and Judy Mertz, and the staff members were appointed.

During the summer, Father Seimetz, faculty advisor, held a meeting with the co-editors and assistant editors to select a theme and begin the work. In the early fall, the publisher was chosen, the various details of the book worked out, and actual work was underway. For several months, the staff worked, in school and out of school, taking pictures, soliciting advertisements, planning layouts, and writing and typing. Completed pages were then sent to the printers.

The completed book is a record of the current year at Bishop Noll High School for all the students, and a remembrance of OUR STORY for the Seniors.

Organization and arrangement must be brought out of the chaos and confusion of paper cutters, rubber cement, pictures, and copy for the yearbook. Pete Cergizan and Judy Mertz, co-editors of the 1954 MARQUETTE, and Fr. Seimetz, Faculty Advisor, are shown preparing dummy pages for the printer.

MUSIC

Rev. Ferd Melevage

Father Melevage is a prominent figure at school, not only because he is the Dean of Boys, but also because he is a teacher of history and Religion, and the director of the Music Department. Noll students turn to Father Melevage for much advice and direction and he is always happy to help them. This is one of the many reasons why Father has endeared himself in the hearts of Noll students. As head of the Music Department, he has established an enviable reputation for the Department through the aperieta and spring concert and other public appearances of the Choral groups.

SISTER M. EDITH, C.S.C.

Sister M. Edith, C.S.C., has directed the Junior Choral Club for the past two years. An able assistant to Father Melevage in staging the annual operetta, Sister also teaches English. With her ability to aid them, the students of the Junior Choral are doing wonderful work.

MR. JOHN MOONEY

Mr. John Mooney is a new addition to Noll's faculty. He is an accomplished violinist and also a composer. Mr. Mooney is doing an excellent job in organizing and directing our new school band and orchestra.

BAND AND ORCHESTRA

An entirely new musical organization, of which Noll High is very proud, is a fifty-piece band and orchestra. It was most difficult to start from the very beginning, but Mr. John Mooney, a new music teacher at Noll, succeeded in one year in organizing and training the fifty young musicians, and in preparing

them for their first public performances in a parade and in the annual spring concert.

The new uniforms, too, enhance the appearance of Noll High's newest music organization, and loyal Nollites look to the new band and orchestra with great expectation.

MUSIC DEPARTMENT PRESENTS NEW OPERETTA

AM AHL AND THE NIGHT VISITORS WELL RECEIVED BY AUDIENCE

On Dec. 24, 1951, Gian Carlo Minatti's new and beautiful opero, **Amahl and the Night Visitors**, made its public debut. At once it was well received and by 1952 it was already included in the repertoire of the Metropolitan Opera Company. It is now regularly featured on both radio and television during the Christmas season. Although still very new, this beautiful Christmas story has gained tremendous popularity and even threatens to become more in demand than Dickens' **Christmas Carol**.

The story of the opero is immediately appreciated by all audiences. It centers about the destitute and crippled shepherd boy, Amahl, and his mother. Because of his love and generosity toward the Christ Child, Amahl is cured miraculously in the presence of the three Kings who

Leading roles in the opero were sung by John Clune as Amahl and Patricia Lush as his mother.

sought shelter with him and his mother. Amahl then persuades his mother to allow him to accompany the Kings on their visit to Bethlehem.

The Choral Groups of Bishop Noll High School were the first high school groups ever to present this opero. On Dec. 11, 12, and 13 the Whiting Community Center held many a curious and interested patron. The cast was brilliant in each of the three performances and soon transformed the skeptic onlookers into extremely responsive and enthusiastic audiences.

Preliminary to the opero itself, both the Senior and Junior Choral Clubs presented a program of Christmas songs which set a proper mood for the opero. The entire program was most enjoyable and gave convincing evidence of many hours of practice and hard work.

Friends and neighbors of Amahl and his mother bring gifts to the visiting Kings.

Shepherdesses Joonne Bord, Lois Kosinski, Rita Ann Smolor, Ruth Sedlok, Morlene Frankowski, and Pot Gober entertain the visiting Kings with their dancing.

The Kings were strong and curious visitors in the shepherd country.

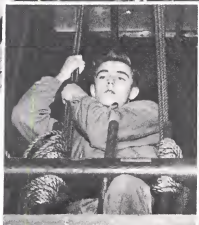

Amahl's mother is caught trying to steal the Kings' gold for her child. She repents when she learns for Whom the Kings are bringing their gifts.

Amahl asks the Kings to take his crutch to the Child, for it is all he has to offer Him.

Instrumental music for the operat was supplied by Lavinia Gutierrez at the organ, Joan Skawinski at the piano and Mrs. James McGann at the harp.

The stage crew is hard at work. Ted Wilson and Gene Coffman supply "snow" during a scene. Ed Taillon mans the curtain ropes while Bernarr Folta supplies proper lighting effects.

The make-up crew, under the direction of Miss Joan Salon, is hard at work with grease point and eye brow pencils.

ATHLETICS

THIS IS OUR STORY . . .

Athletics play a great part in OUR STORY, though they do not supercede the importance of other pursuits. Sports at Noll High have written another chapter for this book. They provide many experiences of thrilling activity and tense emotions for the athletes themselves and for the fans of Warrior teams.

In the fall of the year football permeates the air and excites everyone with the record of games. What a thrill to win! Such a disappointment to lose! But always another game to play for Noll.

Fast on the heels of football comes the basketball season, a Hoosier specialty, with its festive air of holiday tourneys and its strained moments of State tourneys. Hoarse voices are heard and excited faces are seen in the cheering section of Noll High as the Warriors engage in the combat.

Later, in spring, baseball, track, and golf come to the fore. Competition with regional schools sparks the latter weeks of school.

Nollites who participate in these sports learn the importance of cooperation, team work, and true sportsmanship. The loyal fans who support the Warriors give evidence of a healthy school spirit. The varied athletic program gives every student an opportunity to participate in his favorite sport either by way of active participation or in the role of spectator, and the Noll High Warriors in action always present a formidable foe for the opponent.

REV. A. J. ZIMMERMAN

As Priest-Advisor of all athletics, Fr. Zimmerman is one of the busiest faculty members at Noll High. It is through his efforts that the Warriors always have worthy and formidable opponents on their schedule. Athletic publicity and tickets are other details which he supervises. Also in the athletic field and under Father's wing are the annual grade school tournaments in football and basketball.

KARL HUFFINE

Athletic Director and head football coach are the roles Mr. Huffine admirably fills. As Athletic Director, he is Fr. Zimmerman's right-hand man in all athletic matters. Coach Huffine has just completed five years of coaching at Noll and has brought the Warriors state-wide recognition in football. Strictly a part of Coach's constant equipment are his famous cigar stubs and his hat.

JAMES BUCKLEY

Mr. Buckley coaches the line in football and is head baseball coach. Respected and admired by every Noll athlete, he is responsible in great measure for Noll's "never-say-die" spirit and is a constant fire under Noll's school spirit. Coach Buckley's baseball teams are always a bright spot in Noll's sports program. He is also faculty sponsor of the Monogram Club.

EDGAR HUDSON

Head basketball coach is the distinction held by Coach Hudson. His is a big job, for basketball is the rage of almost every Hoosier high school and competition is keen. Mr. Hudson was a star in the sport during his college days and his coaching efforts at Noll have been rewarded with teams that are always near the top..

JOHN DERMODY

Mr. Dermody is one of the two new additions to Noll's coaching staff of this year. He is a Noll alumnus himself and a former basketball star of Purdue University. He is assistant coach in football and basketball, and all Warriors hope he has a long and successful career at Noll High.

GEORGE DUNLEAVY

Mr. Dunleavy is the other new face on the athletic staff at Noll High. Also an alumnus of Noll, Mr. Dunleavy attended Kansas State Teachers' College after he completed his years of service to Uncle Sam. He coaches freshmen football and basketball as well as varsity track.

*To my sweet to be
passenger Good Luck
George Dunleavy*

Cheerleaders

At football and basketball games alike, Noll High has one of the loudest and best cheering sections in the Calumet region. School spirit, however, does not just happen, and a major contributing unit to this spirit is Noll's group of vigorous and peppy cheerleaders under the direction of Miss Herod.

This year's varsity cheerleaders were Carol Schneider, captain, Evelyn Ges-

mond, Lorrie Wohadlo, and Mickie Lewandowski. The reserves were Elaine Shestak and a set of sparkling twins, Jayne and Joan Knoerzer. Without their pep sessions previous to games and their direction and leadership of the student body in cheering at games, Warrior teams would never do as well as they have done and Noll High would not be known as "the school with the spirit."

The Senior Cheerleaders are Mickie Lewandowski, Carol Schneider, Evelyn Gesmond, and Lorraine Wohadlo.

The Junior Cheerleaders are Joan Knoerzer, Elaine Shestak, and Jayne Knoerzer.

STUDENT ATHLETIC MANAGERS

All too often it is simply taken for granted that it just happens that the various teams appear equipped and uniformed automatically and that such matters take care of themselves. Seldom a thought is given to the unsung heroes behind the scenes who care for and issue such equipment previous to games and are there to receive it when the players have finished the game and the fans have gone home. The men behind the scenes long before and after scheduled games and daily practice are the student athletic managers who tend to the needs of the players. It is rare that they receive the credit that is justly due them. Student managers for the Warriors are:

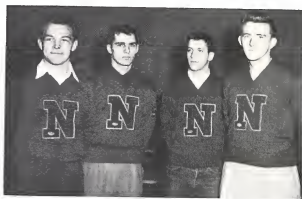

Tam Gozdecki
and Varsity Football
Dan O'Keefe.....and Basketball
Martin Downey and
Ray Schmelzer.....Track
Jack Juscik.....Basketball
John Kozubal.....Baseball
Pat StadalaFreshmen Football

MONOGRAM CLUB

Only those athletes who have earned a major letter are members of the Monogram Club. To earn a major letter, an athlete must have played a minimum of one-half the total number of quarters of varsity competition. The Monogram Club attempts to promote importance of good sportsmanship. The Monogram Club lends a helping hand in the Homecoming activities and they sponsor their own dances through the year.

Officers of the Monogram Club are Roy Robok, President; Bob Michalak, Vice-President; Joe Kapuscinski, Secretary; and Bob Stupeck, Treasurer.

Sept. 25—Noll 7

Evansville Memorial 7

Noll ventured south to meet a seasoned Evansville Memorial team. Noll started the scoring with a 15 yard touchdown pass from Hughes to Laneski. Later in the game Evansville scored and the game settled down to tough defensive football on both sides.

Sept. 11—Noll 0 South Bend Washington 13

In the first game of the season Noll played host to Washington of South Bend, and the opponent went home with a 13 point decision to their credit. All-State fullback Joe Brazin scored both touchdowns for Washington. Noll came back in the second half and held the highly favored Washington team scoreless.

Sept. 18—Noll 38 Chicago Roosevelt 0

Noll played host to Chicago Roosevelt and sent them home with high regard for Noll's football prowess. Noll's scoring started early in the game when Fred Halan ran 65 yards on the first play of the game. Halan also ran 45 yards for another touchdown later in the game. Passes from Kapuscinski to Bielefeld and from Hughes to Michalak add two more tallies. Gardner's run of 43 yards and Reffkin's plunge accounted for the further scoring.

Oct. 2—Noll 6

Louisville Floget 26

The Warriors fought a hard but losing battle against the fine Floget team which revenged their two defeats by Noll in previous seasons. Noll's score came early from a plunge by Bielefeld; but Floget, relying on their fine running ability, was never pressed.

Oct. 9—Noll 26**Terre Haute Gerstmeyer 15**

Noll again went south and this time returned victoriously. Although losing at the half due to a safety, Noll returned after the intermission to score two touchdowns and held Gerstmeyer scoreless. Reffkin, Halon, and Bielefeld scored on the ground and Kapuscinski took to the air with a pass to Loneski for a score.

**Oct. 16—Noll 37****Gary Roosevelt 14**

Noll overcame Roosevelt's opening play for 75 yards and decisively defeated the Gary squad. Noll's star in this game was Loneski who scored four touchdowns: one on a blocked punt, two by passes from Kapuscinski, and one by a pass from Hughes. Gardner and Beday also scored for the Warriors.

**Oct. 26—Noll 32 Marmion Military Academy 6**

Noll rolled over Marmion and just about everybody scored. Noll was winning 6-0 at the half and came back with four more touchdowns after the intermission. Kapuscinski went over from the three-yard line for the first touchdown and passed for three others: one each to Michalak, Loneski, and Graney. Reffkin also ran 75 yards for a touchdown. It was a fitting end for Noll's last home game and its Homecoming.

Nov. 6—Noll 13 Indianapolis Cathedral 27

Noll went to Indianapolis and lost its last game of the season by a misleading margin. The score was tied at the half, due mainly to Loneski's ability in pass catching. Then Cathedral broke loose for two quick touchdowns to put an end to the scoring. Kapuscinski's two touchdown passes to Loneski were Noll's only scores.

Cafeteria Staff

Mrs. Pictar, Mrs. Dienes, and Mrs. Diestler cheerfully prepare and serve the meals each day in the school cafeteria. The four daily cafeteria shifts are very demanding on these ladies, but they are always on time with wholesome food and do an admirable job.

The school maintains a cafeteria in the gym building for the convenience of the students during their lunch periods. Hot plate lunches and other snacks are available to them at practically cost. The large student enrollment necessitates two cafeteria shifts during each of the lunch periods so that the cafeteria is really not the proper place to enjoy a leisurely meal. However, lunch period is eagerly anticipated by all students in order to refresh the inner man with the food prepared by the ladies.

Each morning when the students come to school, the halls and classrooms are neatly swept and clean. That broken chair that "accidentally fell apart" the other day is now fixed and the locker that jammed, is now as good as new. All year 'round the buildings must be kept at a comfortable temperature. In the spring, summer, and fall the grounds must always be kept up and the winter snow must always be shoveled away. These are just a few of the many things that go on all year long. Mr. Strickland and his cohorts are responsible for the hard job of taking care of the school, for they are Noll's maintenance crew, the men behind the scenes who continually do a grand job.

PARADE, BONFIRE, VICTORY AND DANCE MARK GALA EVENT

There were cars galore as the Homecoming Royalty, the Football Players and the Cheerleaders led the parade through Hammond and East Chicago.

Noll's Homecoming, held on Oct. 24, was indeed one of the biggest and best ever. The festivities began with a huge bonfire on Oct. 23, the night before the game. Actual planning of the celebration, however, had its beginning several weeks previously. The Booster Club with the help and cooperation of the

entire student body had been developing ideas for this week-end since early in September. The bonfire was held, as usual, on the baseball diamond with cheers penetrating throughout the crowd. Refreshments were served by members of the Homecoming Committee, and this idea was a huge success, due largely to the

The effigy of Marmion Military Academy is thrown into the bonfire by the football players on the eve of Homecoming.

A highlight of the Homecoming dance was when Co-Captain Bob Stupeck crowned Mary Catherine Bloke as Homecoming Queen while her attendants, Noda Stilnovich and Dolores Ortosky, Co-Captain Ray Robak and Ed "Mr. Touchdown" Gardner look on.

The success and enjoyment of the Homecoming was due mainly to the Homecoming Committee: Carol Moles, Mary Mulflur, Corole Knopp, Stephanie Simon, Donna Orr, Jerry Hoess, Mary Catherine Bloke, Larry Yednak, Bob Schreiner, Miss Herod, Mary Ann Rocich, Millie Overack, Patti Ragan, and Pat Lush.

unusually warm weather at the time. A parade, led by the Homecoming Queen, Mary Catherine Blake, and her attendants, Dolores Ortosky and Nada Stilnovich, circled through Hammond and East Chicago under police escort. Back on the campus after the parade, the bonfire, speeches, skits, and more cheers topped off the night.

At the game on the following night, Oct. 24, the Homecoming spirit captured everyone. An excited crowd of students and alumni cheered the Warriors on to a decisive victory

over Marmion Military Academy. The same gala spirit of Homecoming prevailed at the "Touchdown Twirl" Homecoming dance after the game. Mr. Touchdown, in the person of Ed Gardener, was on hand to see Queen Mary Catherine Blake crowned, after which she led the Grand March. The spirited rally on Homecoming eve, the victory in the game, the sociability at the dance — all these added up to a perfect Homecoming for the alumni and students of Noll High.

Students and Alumni enjoy dancing at the "Touchdown Twirl" after the game.

The "Mexican Hot Dance" was also popular at the Homecoming dance.

Journalism Club or the Marquette Stoff, attended the conference at Milwaukee. The girls were chaperoned by Sisters Victorine and Danielita. The convention in the cosmopolitan city proved enjoyable and educational, and both the Journalism Club and the Marquette Stoff benefited. The convention scheduled several general sessions at which outstanding Catholic press men and women were the main speakers. There were also numerous sectional meetings with more specialized aims.

The girls also enjoyed a tour of Marquette University in Milwaukee and had an opportunity to meet a number of former Noll students now attending the University.

WINTER FORMAL HELD DECEMBER 29

The school gym was transformed into a "dreamland" of Christmas trees and imaginary snow and ice on Dec. 29th for the annual Winter Farmal Dance. Traditionally held between Christmas and New Years, the Winter Farmal is thoroughly enjoyed by the students and also gives former Nollites home for the

holidays an opportunity to renew and refresh friendships with their former school mates. This year, as always, Nall alumni and alumnae attended in large numbers.

As the couples enjoyed dancing to the music of Bud Pressner and his orchestra, a gay and friendly holiday spirit enhanced the

evening. "December Dream" was the theme for the dance sponsored by the Student Council. Mary Catherine Blake and Pete Cergizan, Council President and Vice-president respectively, were co-chairmen of the dance. Other committee members were Virgie Cieslak, Mike

Graney, Dave Mellady, Mary Mulflur, Pat Plesniak, Patti Rogan, Anita Sedlak, and Joan Skawinski. The spirit of Christmas and the glow of friendship marked the background and setting of a wonderful evening enjoyed by all in attendance.

HIS IS OUR STORY . . .

This, then, is OUR STORY. It has been, and it will ever continue to be, pleasant to pass in review the joys, pleasures, and even the few sorrows we have shared with our school mates. And as we come to the conclusion of OUR STORY at Bishop Noll High School and to the Commencement of a new phase of our lives, we find that certain acknowledgements are very much in order.

During the past four years our circle of acquaintances and friendships has vastly increased. We have formed at Bishop Noll High School friendships and acquaintances which we hope will not end with graduation, but will deepen with the passing of the years. For these we are very grateful.

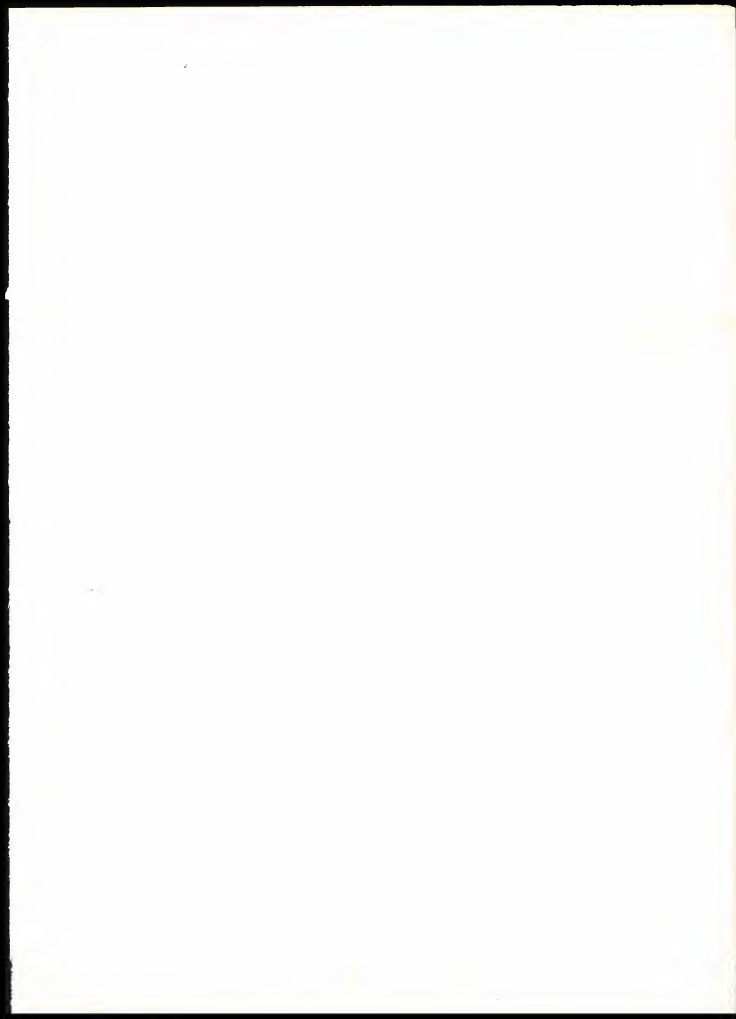

To the classes who will succeed us, we offer our hopes for a bright future and we shall remember them always as an important part of OUR STORY.

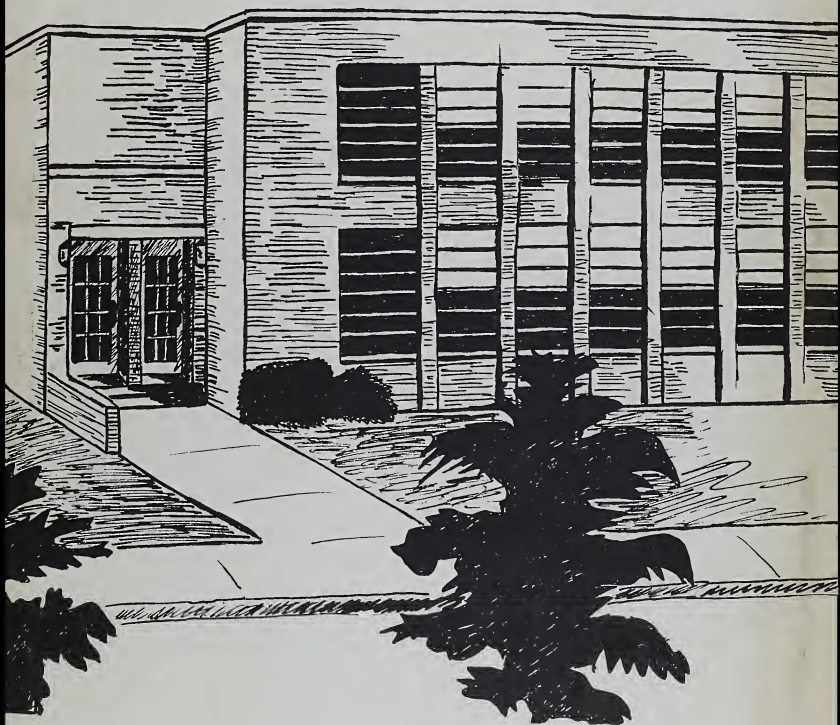

To the Faculty and to our parents we offer boundless gratitude, for it is through their efforts, interest, and sacrifices in our behalf that we now stand as
